2 hours. February 2021

Coaching & Connecting

Monthly February to April 2021

leaders lab *Overview*

12 MONTHS | 10 LEADERS | 01 BIG CHANGE

The existing paradigm for responding to material poverty isn't working. The Lupton Center's Leaders Lab is a unique training experience built for innovative leaders who are willing to disrupt old patterns and create new possibilities.

The Leaders Lab is a year-long cohort that blends in-depth, group training and personalized coaching. It has been uniquely designed for leaders who are working to change the way charity is practiced in their church or organization. Participants bring their project into the Lab where they will use our **SPIRE** Assessment to *diagnose* its health, our **SCOPE** tool to *clarify vision* for a more effective approach, and our **P.A.C.E.** Process *create a roadmap* for leading change.

The Lab is a community of 10 peers who will lead, learn, & innovate together. They will receive personalized support from The Lupton Center and get access to the training and the tools needed to equip them to effectively lead change.

We would love for you to join the fifth Leaders Lab cohort!
If you are ready for real change, apply today!

LEADERS LAB LAUNCH: April 21, 2020
CONTACT: SHAWN@FCSMINISTRIES.ORG
COST: \$225/month, per leader
